Now the whole family can go
out on a Summer evening

THE women should cer-
tainly be thankful for the
automobile. It has given
them a chance to see a lot
more of their husbands.

they're beginning to insist
on knowing what they are
getting.

And the more they insist,
the better it will be for us.

But it has done a great
deal more than that.

It has brought people closer
together, given them new
interests, swept away old
prejudices.

What affects one man now
generally affects a good many
of his neighbors in the same
way. And they have a better
chance to get together and
talk things over.

It's had its effect on the
tire business.

When automobiles were
new people were willing to
buy any kind of a tire. Now

We want our customers
to know what they are
getting.

That's why we represent
U. S. Tires—so there will be
no doubt about it.

Whatever the size of your
car, you know that the U. S.
Tire you put on it is the best
kind of tire its makers know
how to make.

U. S. Tires are guaranteed
for life, without any limi-
tation of mileage.

That ought to mean some-
thing to the man who has
thought about tires.
